

Beverage cooler	SC125VBC
Dimensions :	403 x 455 x 1 790 mm
Net Volume :	134,5 L
Gross volume :	150 L
Pack-Out	156 cannettes de 330 mL
Voltage / Frequency	220-240V/50 Hz
Gaz	R600a
Material	Housing black powder coated steel. Interior PCM black coated
Door	Double glazing glass, Self closing, with lockable, with recessed handle, door frame black plastic
LED	2 LED 4,8W with switch
Evaporator	Evaporateur Roll-bond
Condenser	Wire condenserr in bottom compressor compartment
Fan	Static cooling with one circulation fan inside, with one fan in bottom compressor compartment
Defrost	Automatic defrost
Grids	6 grids 308x273mm
Temperature controller	Digital thermostat
Temperature ranger	+2 / +8°C
Energy class	C
